Subject: Application for the Counselor Position at Brainside

Dear Recruiter's Name,

I am excited to write this letter about the job opening as a counsellor at Brainside. I chanced upon your company's opening at LinkedIn and upon reading the required qualities, I certainly believe I meet those requisite skills.

I completed my M.A in Psychology from KC College, Mumbai, and have also completed various certificate courses in REBT and CBT which add to my field of expertise. I hold a CGPA of 7.0 and have maintained above-average scores consistently throughout my masters. Being passionate about my subject, I also invested considerable time in assisting senior psychologists and learning from them at every step.

I have also attached my resume and certainly believe that my skills and education qualifications make me fit for the position of counsellor. I assure you that I'll put my best foot forward and conform with the team.

I'm grateful for this opportunity and waiting in anticipation for discussing the position in detail. My contact details are mentioned above for your reference.

Thank you.
Respectfully,
Rishi Sharma
