## **TOEFL Reading Practice: Common Mistakes**

Due to various reasons, students end up making common mistakes while solving the reading section. In your TOEFL Reading practice or test, you must aim to avoid any sort of mistakes, which can be only achieved if you do ample practice. Below listed are some common mistakes that students usually make while attempting the TOEFL test-

### **Unaware About Vocabularies**

New vocabulary is probably the most concerning issue that is faced by all candidates during their TOEFL test. It's almost unavoidable and acts as an hindrance. One must strive to enhance their vocabulary while attempting the TOEFL reading practice tests.

### **Ignorant of Grammar, Punctuation and Tense**

Appearing for a language proficiency test without a sound knowledge of the sentence structure or tenses can be listed amongst one of the blunders. The candidate needs to keep up the coherence and connection to coordinate the appropriate response with the given section based on the right type of language, spelling, and tense.

### **Unable to Manage the Time**

Often candidates get stuck on 1-2 questions and then waste their allotted time. TOEFL is a time-bound test, hence, one must thoroughly train themselves to attempt the maximum number of questions. Whilst attempting your test, you shall not stick on to one question for more than 2-3 minutes. |

## **TOEFL Reading Practice: Tips for Improvement**

Listening, Speaking, and Writing areas have various types of assignments for a similar skill. In contrast, TOEFL Reading assignments are easy but challenging. To score maximum in the test, you need to experience the TOEFL reading practice test. Below are some crucial tips to improve your reading skills to enhance your TOEFL result.

### **Enhance Your Reading Efficiency**

Since reading has an altogether separate test in TOEFL, it is essential to perform well in it. You must practice reading through newspapers, books, journals, etc. Whilst attempting the TOEFL reading practice tests, always read the entire paragraph given. Do not read just the section that is relevant for a particular question. If you do so, you might miss the actual theme or background of the paragraph along with many minute

details that are mentioned. Thus, from the very start of your practice days, always focus on reading the entire passage.

### **Time Management**

Time is a crucial factor when it comes to the TOEFL reading practise or test. Wasting an extra minute over the questions can result in fewer marks. Thus, while practising for the test, you must aim at gradually decreasing the time limit, so that you are able to read and solve more and more questions in less time. Good timing and your reading speed can make or break your score.

### **Master the Art of Vocabulary**

At the point when you focus on the TOEFL reading practice section, regardless of whether you are at home or in class, feel free to look into words you don't comprehend! Outline new words and interpret them utilizing a dictionary for reference. Make it a habit to utilize a dictionary which converts words from English to English only, so that you can easily learn some synonyms of the word too.
